Bringing Baby Home™ Program

Ordering and Shipping Policy

Ordering Educational Materials from Bringing Baby Home

The Bringing Baby Home shipping department processes CGE Product Orders weekly. You may download the most recent Product Order Form from our website (www.bbhonline.org) under the Educators tab, Order BBH Products. You may also request the form via email by contacting the Program Coordinator at bbh.ct@bbhonline.org. Send your completed Product Order Forms to Fax Number 206-832-0301, or by email to bbh.ct@bbhonline.org,

or regular mail to:
Bringing Baby Home Program
Relationship Research Institute
2030 1st Avenue, Suite 205
Seattle, WA 98121

Your Product Order will be shipped to you within two weeks of the date the order is received. Exceptions to this rule may occur and you will be notified with specifics for your order.

Rush Orders

Rush Order service is available only upon request for those needing to have products shipped overnight or within 3 business days of receiving the order. A \$25 Rush Order fee will be issued for these orders. Shipping alternatives include FedEx Standard Overnight, 2-Day, and Express Saver services. These options are expensive; we recommend that you use them as a last resort.

Payment

Payment for your BBH products must be included at the time of your order. If you choose to pay using a Visa or MasterCard credit card, we will add your shipping fees to your Product Order Form and list the charges on your sales receipt. Please note: we do not accept American Express or Discovery credit cards at this time.

For payments made by cash or check, please contact the BBH Program office for assistance in calculating shipping fees so that your payment can be accurate and your products can be shipped on time. You may research your own estimated costs by using the online resources at www.usps.com and www.fedex.com.

If your hospital or community organization is paying for your class materials, it is the CGE's responsibility to make arrangements with the host organization for direct invoicing with BBH. Typically, organizations need to create a vendor account for BBH in advance of your order. A Purchase Order number is required on your BBH Product Order Form if your host organization is the one billed using this system.

The CGE is responsible for placing the product order with the BBH Program office, unless a designated delegate with the host organization is agreed upon in advance of your order. If you need assistance with setting up a delegate or coordinating with your host organization to set up a BBH vendor account, please contact the BBH Program Coordinator at (206) 832-0355.

Returns

Unused, unwanted Bringing Baby Home products may be returned to the BBH office for **merchandise credit** within **30** days of receipt. A copy of your Product Order Form or Sales Receipt, and a letter outlining the reason for your return must accompany your return. Product credit must be used within one year of the original purchase or forfeited.

Exchanges

Requests for product exchanges must be made in writing, accompanied by the original purchase receipt and an explanation of the reason for requesting an exchange. All exchange requests must be made within **45** days of the original purchase date and will be reviewed and handled on an individual basis. If an exchange request is granted, return shipping and handling costs are the responsibility of the CGE and will be charged when the new materials are sent.

Damaged / Defective Products

The Bringing Baby Home Program stands behind its products. Materials that are damaged during shipping or are otherwise defective will be replaced at no cost to the purchaser, provided that a Product Replacement request is made in writing within **14** days of the original purchase date.
